

Company Profile & Partner Guide

Egypt's Technology-Powered Destination Management Company

Partnering with international tour operators to deliver faster, transparent, and flawless ground operations.

WHO WE ARE

Built for the Modern *Tour Operator*

Giving international partners a faster, more transparent ground partner in Egypt.

LuxoraEgypt specializes exclusively in Egypt — delivering luxury Nile cruises, bespoke and templated itineraries, MICE execution, hotel contracting, and ground transportation for tour operators worldwide.

We are built for one core purpose: to replace the clipboards, WhatsApp groups, and 48-to-72-hour quote turnarounds that define traditional Egyptian DMCs with live tracking, rapid quoting, and full operational visibility.

Bespoke & FIT Journeys

Custom high-end travel and repeatable volume itineraries packaged for instant distribution.

MICE & Executive Groups

End-to-end event execution with live fleet tracking across every vehicle and group.

Sovereign Nexlore Tech

Proprietary backend platform providing 100% operational visibility and instant API connectivity.

WHY TOUR OPERATORS CHOOSE US

Performance Over *Habit*

Removing operational friction and protecting partner margins.

< 4 HRS

QUOTE TURNAROUND

Custom quotes and builds returned in hours, so your sales team never loses momentum.

100%

LIVE VISIBILITY

Every vehicle, guide, and guest movement visible live via our Nexlore platform.

10–15%

GROUND COST EFFICIENCY

Backend digital efficiencies passed directly to your net rates without compromising luxury.
